TOGETHER WE STAND UP FOR THE COUNTRY'S MOST WELCOMING SECTOR.

What is Horeca Vlaanderen?

Horeca Vlaanderen is the federation run by and for the hospitality sector. Our three pillars are advocacy, support and networking. Our extensive network lets us work at European, Belgian, Flemish and local levels.

ADVOCACY

Horeca Vlaanderen **stands up for the entire sector** and works to improve conditions for businesses. Our local branches and sector committees provide ongoing input into our overall strategy and policy positions.

NETWORKING

Through **networking events, information sessions, courses and workshops**, Horeca Vlaanderen brings business owners together and helps them build their professional skills.

SUPPORT

Horeca Vlaanderen **shares information through several channels**: Horeca Vlaanderen Krant, Horeca FLASH, our website, social media, partners and more. Members can also count on **initial legal advice** and enjoy a wide range of benefits.

LOCAL ROOTS

One of our strengths is our **strong local presence**. Each province has its own operations and board, with around 35 independent local trade associations in total. These **associations** talk directly with local policymakers about outdoor seating regulations, parking, unfair competition, the abolition of certain taxes and more. Many local branches also work closely with local tourism partners.

How can we help you?

You'll receive our digital newsletter, Horeca Flash, and have access to brochures, guides for inspiration, checklists, document templates and standard agreements.

FREE, UNLIMITED INITIAL LEGAL ADVICE

Have a question? Members get free, unlimited access to our legal team for prompt, reliable initial advice. We handle more than 1,000 queries a year on employment and social legislation, contract reviews, inspection reports, commercial leases and concessions, commercial lease renewals, HACCP and allergens, starting a hospitality business, accommodation rules, taxation, roadworks, company structures, cameras and privacy, electronic payments and more.

COURSES AND INFORMATION SESSIONS

Want to stay informed, develop professionally or learn something new? Horeca Academie is for you! At www.horecavlaanderen.be/academie you'll find courses on starting a hospitality business, allergen regulations, labour inspections and much more. With both in-person and online options, there's something for everyone.

LOCAL BRANCHES: STRONGER TOGETHER IN YOUR AREA
